

# MERCY URGENT CARE

Unlimited care for employees for only

# \$59/mo

We know how challenging it can be to ensure that your employees have access to quality healthcare, especially as insurance costs continue to rise. But thanks to MercyMe Team Care from Mercy Urgent Care, you and your employees can access a host of healthcare services from the region's largest urgent care network. MercyMe Team Care is not insurance, but it is a great way to offer your employees healthcare services through an affordable monthly membership.

## The MercyMe Team Care program includes:

- Unlimited virtual and in-office visits
- Annual health assessments
- Flu shots
- X-rays and in-house labs
- BMI, A1C, and blood pressure screenings
- Eye exams
- Discounts on durable medical equipment and more

## PROTECTION FOR EMPLOYEES
